IQ and psychometric tests are increasingly used in recruitment and selection procedures by those companies who want to ensure they employ workers of the highest calibre. With hundreds of questions on verbal, numerical and spatial ability, memory, creativity and personality, "IQ and Psychometric Tests" will help you to weigh up your strengths and weaknesses and improve your score. It also includes two completely new, full length IQ tests. Vital preparation for anyone facing these tests as part of a recruitment procedure, "IQ and Psychometric Tests" will also appeal to anyone who enjoys stretching their mind and exercising their brain.
