This title is intended for ages 7 to 10 years. "Spotlight on Canada" introduces children to Canada's multicultural people, its varied landscapes and climates, its exciting cities, and its joyful celebrations. A huge country with only one neighbour, the United States, Canada is divided into provinces and territories. French and English are its two official languages, and its rich history goes back to its French and English roots. This colourful book celebrates the diversity of this great country!
