isbn:9780415428439

With Saudi Arabia being of immense importance both politically and economically in the Middle East, this book provides a much needed, broad ranging survey of the development of the Saudi economy from the 1960s to the present day. Written by a highly reputable author, the book includes an analysis of how political and social factors have shaped policy, and how the Saudi state is coping with the dynamics of a rapidly changing economic and political situation.
