isbn:9780470177433

Refocused and completely rewritten with the needs of business users and FileMaker Pro developers in mind, FileMaker Pro 9 Bible shows you how to design an industrial-strength database, make it intuitive, and automate it with scripts and programming. From the fundamentals to data modeling to writing no-fail code, you'll

find the clear, step-by-step procedures, solid techniques, and detailed explanations you need to master this powerful software and build the right solutions for your needs.
