Here gardeners will learn: clever, effective suggestions for working smarter, not harder; how to finally win the war against weeds and eliminate pests?and ways to turn inexpensive items that can be found in the garage, cupboard, and pantry into

indispensable garden helpers. From tips on how to cook compost faster, spend less time watering, and grow potatoes without a spade to novel ideas for transforming cardboard boxes into heavy-duty mulch, a string of Christmas lights into a hoop house warmer, or a ring-binder into a seed organiser, this handbook of fabulous ideas that save time, money and effort will quickly turn around any under-performing garden and yield the best-looking, most productive, and most rewarding garden ever.
