This work is ideal for any leader or manager forced to fly solo in the face of daily and

strategic challenges, or an invaluable tool to help managers get the most out of their working relationship with either an internal or external coach. "Manager's Desktop Consultant" cuts through the maze of people challenges in the workplace to identify the six most common issues affecting performance, productivity, and profitability. Through detailed scenarios, these experienced consultants and authors describe each problem situation and lay out the key action strategies necessary to build a solid foundation for management success.
