This practical, easy-to-use self-study course is perfect for pianists, guitarists, instrumentalists, vocalists, songwriters, arrangers and composers, and includes ear

training CDs to help develop your musical ear. In this all-in-one theory course, you will learn the essentials of jazz music through concise lessons, practice your music reading and writing skills in the exercises, improve your listening skills with the enclosed ear training CDs, and test your knowledge with a review that completes each of the units. Answers are included in the back of the book for all exercises, ear training and review.
