Introducing White House Assistant Chef Olivia Paras, who is rising-and sleuthing-to the top. Includes recipes for a complete presidential menu! Never let them see you sweat-that's White House Assistant Chef Olivia Paras's motto, which is pretty hard to honor in the most important kitchen in the world. She's hell-bent on earning her dream job, Executive Chef. There's just one thing: her nemesis is vying for it, too. Well, that and the fact that an elusive assassin wants to see her fry.
