Churchill, Manitoba is the polar bear capitol of the world. Every winter, tourists flock to the tiny town to watch the bears hunt and frolic on the frozen waters of the Hudson Bay. This year, though, the tourists are in for a big surprise...Winston! A smart, fierce, brave bear, Winston of Churchill has noticed that their icy home is slowly melting away. He explains to the other bears why the ice is melting then, using the stirring words of his famous namesake, rallies the bears to convince humans to save their Arctic home. However, on the way to the protest march, Winston learns an unexpected lesson and realizes that he, too, must change his ways. This timely, funny story draws attention to the polar bears' plight and helps children understand that in the face of global warming, everyone must do their part, no matter how small.
