Life Is (Was...Will Be?) GoodIndigo Summer has everything she wants: a coveted spot on the high school dance squad, a hot boyfriend (the one and only Marcus Carter) and--her best friend, Jade, is moving back to Atlanta But why does trouble always have to follow? Jade is suddenly getting too cozy with their good-looking history teacher. And instead of shooting hoops, Marcus is sitting in a courthouse, forced to prove his innocence for something he didn't do. Indigo is feeling the pressure--from the squad, from her friends, from her family. It's time to show everyone--and herself--that she's made of strong stuff.
