Get ready, Pantheon High! It's homecoming season, and that means it's time for our Fighting Chimeras to whale on Gilgamesh High. Our demigods from Greek, Norse, Egyptian and Japanese mythology are gonna demolish those Mesopotamian, Aztec, Indian, and Pacific pantheon punks. With Yukio's luck on our side and Aziza El Ra cheerleading, we can't lose! Let's win this one for Grace and Griffin, trapped in a journey through the underworld that could mean permanent death. But stay alert--the evil gods have plans for the school, and homecoming is the perfect time for them to strike!
