Millions have read Sun Tzu's Art of War , the classic text on leadership and strategy, but how many understand its profound teachings and know how to apply them in modern life? The Rules of Victory presents the essential insights of The Art of War , making this classic relevant to anyone who seeks more successful and creative approaches to dealing with conflict and chaos in the workplace, at home, or in any challenging circumstance. It shows us:

- The core strategies of The Art of War and how to use them
- First-person success stories illustrating how these teachings can be applied in all areas of life
- How to recognize and even create critical turning points in any project

5 CDs; 6 hours; abridged. The Rules of Victory is also available in print.
