In the Bestselling Tradition of The Secret... Master the Universal Laws of Attracting Success Would you like to get involved with better opportunities, things that are geared towards your passions in life? Would you like to attract people in your life who will help you reach your goals, dreams and vision? Would you simply just like to have more time with your family? If you've chased success for many years, couldn't find it, never found it, or found it and lost it, you'll find that if you build your life around these 28 laws, success will find you. With Thomas Leonard's time-tested, power-packed system, you'll learn how to:

- Get a fulfilling life, not just an impressive lifestyle.
- Create a vacuum that pulls you forward.
- Market your skills and talents to what's unique about you.
- Unhook yourself from the future and live powerfully in the present.
- Make time for the things that really matter to you.

As you apply these 28 laws, you'll fully maximize the brilliance and energy you already have, gain the ability to define what success is for you, and attract into your life the things that mean the most to you.
