Like its companion titles — C Is for China, B Is for Brazil, J Is for Jamaica and others — this engaging alphabet book doubles as a fabulous photographic survey of a single country. Here, acclaimed Mexican photographer and journalist Flor de María Cordero captures the people, customs, and culture of her country in simple text and brilliant full-color photos. From food and drink to lively celebrations like quinceañeras and the Day of the Dead, M Is for Mexico is the perfect introduction to this vibrant, beautiful country.
