An omnibus of two of Doris Stokes' extremely successful books, JOYFUL VOICES and VOICES OF LOVE, bestsellers in the early 1980s. Doris Stokes was a celebrated medium who confounded sceptics by the uncanny accuracy of her readings. In Australia she filled the Sydney Opera House and was mobbed in the streets. In America 'Charlie's Angels' was moved from its primetime slot to make way for her. In Britain she filled the Albert Hall, and radio phone-ins caused blocked lines and an avalanche of mail. Doris Stokes possessed an amazing gift - exceptional psychic powers that over the years of her extraordinary life brought joy and comfort to thousands of people...
