Oh, the Places You'll Go!

For out-starting upstarts of all ages, here is a wonderfully wise and blessedly brief graduation speech from the one and only Dr. Seuss. In his inimitable, humorous verse he addresses the Great Balancing Act (life itself, and the ups and downs it presents) while encouraging us to find the success that lies within us.

And will you succeed?

Yes! You will, indeed!

(98 and 3/4 percent...guaranteed.)

The Lorax

Long before saving the earth became a global concern, Dr. Seuss, speaking through his character the Lorax, warned against mindless progress and the danger it posed to the earth's natural beauty.
