One person's rubbish is another's treasure. That's a fact of life that the 'Junkmarket gals' know only too well. Through their shop, web site and tireless touring, Sue Whitney and Ki Nassauer have helped countless devotees transform junk into one-of-a-kind furnishings and accessories. Working their magic on every room of the house - from kitchen to home office - they present conversational case studies that introduce the

clients and explore their needs. With characteristic humour in tow, they take readers through each renovation adventure, from shopping for recycled materials to the actual construction projects. The girls also include complete materials lists, plus paint chips and fabric swatches, so that everything can be recreated down to the last delicious detail.
