This title offers an ingenious twist on a classic word game. Hangman's a great way for kids to practice their spelling, improve their vocabulary and have fun - all at the same time. And with this game-filled collection, they can play anywhere and anytime they

want - even when there's no friend around. Each page features one puzzle with 26 letters accompanied by silver circles to scratch off. Children choose the letter they want, give it a rub and see if it's in the puzzle, and where. But watch out: six misses and they're hanged!
