This delightful new multi-chip sound book features a simplified retelling of a favorite Potter story, "The Tale of the Flopsy Bunnies," with a special added feature. Hidden on every spread are sound buttons that preschoolers will love discovering and listening to. All specially composed for this book, sounds include: a the bunnies playful melody a the snores of the soporific bunnies a bouncing bunnies a the squeak of the mouse a chomping and chewing a Mr. McGregor throwing vegetables. The great new technology means no more clunky sound buttons. Everyone will enjoy this classic favorite with a new dimension of interactivity and fun.
