Returning from Johansen's New York Times bestselling thriller, *Stalemate*, forensic sculptor Eve Duncan is still reeling from the disappearance of her daughter, Bonnie. Deciding to take matters into her own hands, she enlists the clairvoyant skills of Dr. Megan Blair to help find her. No strangers to looking for clues where there seem to be none, the two women use their highly specialized talents to hunt down Bonnie's elusive kidnapper and return her to her mother's arms. But is Bonnie still alive? Will the two women find her in time? Iris Johansen strikes again with this non-stop, action packed thriller, keeping readers turning pages well into the night.
