Wake up, Nellie! The fun is about to begin. First, there's deciding what to wear. Then there's breakfast with all kinds of shapes and textures and tastes. From indoor play in a made-up train, to a trip to the park and a bedtime cuddle with Daddy, Nellie's day

is full of discoveries.

Marthe Jocelyn’ s bright collages incorporate a feast of concepts for small children to explore. With so much to look at and talk about, A Day with Nellie is sure to be a favorite with the very young and with the people who take care of them.
