It is 1568 and Mary, Queen of Scots, is imprisoned in Lochleven Castle. But her supporters, including noblewoman Heather Gordon, are planning a rescue. Heather travels to a cottage in the frigid Highlands to teach a simple man--who just happens to resemble someone with access to Lochleven--how to act the part of a nobleman in order to gain entry to the castle. But in the close quarters of the cottage there is more stirring than political rebellion. A suspenseful story of deceit and betrayal, love and secrets, As High as the Heavens will capture readers' hearts.
