Do you or your friends, relatives and clients have unexplained health challenges, phobias, fears, grief, anxiety or pain that medical doctors just cant explain? Perhaps you (or someone you know) have experienced a traumatic event and now feel that something is missing in your core being; in other words, you may not feel whole or complete. If so, "Past Lives and Soul Retrieval" the fourth book in Steve Murrays popular "Reiki: The Ultimate Guide" series, is for you. This much-anticipated volume shows Reiki Healers how to guide themselves and others through Past Life and Soul Retrieval Sessions. And, it isnt just for Reiki Healers! Steve also explains how to perform a session without Reiki, so anyone can use the guidelines in the book. This fourth guide has over 50 illustrations with easy to understand, step-by-step instructions on how to: Access a past life memory, then release the emotional charge in the memory that is linked to and currently causing problems in your life; Access a traumatic event memory from your present life, then retrieve part of the soul left in this memory, thereby becoming whole and complete again. When a Past Life or Soul Retrieval Session is successful, it removes Psychic Debris from a current life. Otherwise, if Psychic Debris is not removed it will eventually accumulate in the physical, mental, emotional, and/or spiritual body, creating blockages of your life force. These blockages can manifest as unexplained health problems (illness and disease), phobias, anger, fears, grief, anxiety, or stress and can negatively impact your life. The Guide also explains: The Akashic Plane; The Akashic Records; Shamans; The Veil; Past Life Root Events; Soul Fragmentation; Reincarnation; Deja Vu, Deja Visite and Deja Senti plus much, much more!
