When your baby faces a medical emergency, what should you do? Sometimes your intuition is spot-on, but other times it's entirely wrong. With this life-saving guide close at hand, you'll be ready to handle over forty common infant and toddler emergencies, including falls, high fevers, bee stings, burns, and more. This guide makes it easy to find the information you need during even the most stressful times. Most importantly, you'll learn how to prevent the most common emergencies that new parents encounter. The Baby Emergency Handbook will help you: Learn the best ways to react in almost any emergency Know when to seek immediate medical help Get faster help in a hospital emergency room Tips on keeping your child safe
