After the sinking of the Griffon, Pachelots adventures in the Old Northwest continue as he and Badger try to discover the fate of Keta. Pachelot joins forces with a coureur de

bois a woods runner who is after a renegade fur trapper carrying a deadly weapon intended for an unsuspecting Indian tribe allied with the French. The chase is on through the swirl of danger and suspense as one of the deadliest wars ever fought on the North American continent heats up with the threat of the total destruction of the newly built Fort Brokenheart. Pachelot and his friends adventure deep into the wilderness where survival becomes a fight against the forces of nature and the nature of man.
