Welcome to Nancy Friday's secret garden, a hidden place where ordinary women are free to express the sexual dreams they have never dared to confide before. Safe behind the walls of anonymity, hundreds of real women responded to Nancy Friday's call for details of their own most private fantasies. My Secret Garden is the daring compilation of those fantasies. When it first appeared, it created a storm of outrage in the media...and an equal sense of exhilaration for those women who finally were able to share their sisters' most intimate thoughts. Even now, in a new millennium, over ten thousand women each year buy a new copy of this astounding classic of feminist literature. Join them in their exploration of the meaning of desire. Dare to read, dare to dream, and dare to discover the beautiful blossoms, the winding paths, and the hidden nooks of female sexuality.
