"One salamander springs away--" " he's off to Salamander Rock." "He's got to join the swinging party" " starting there at six o'clock " Salamanders of every pattern and color are headed to a party at the local hangout: Salamander Rock. The journey is half the fun as salamanders young and old play tag, dance, and chase fireflies in the dark to pass the time. Bright foam tails and flaps scattered throughout the book add

dimension and fun to this book that also encourages counting on every page. - NEW format - book features pop-up foam coils and flaps throughout - Adorable rhyming story featuring the adventures of salamanders going to the "rock" party - Learning concept: counting from 1 - 10 - Additional prompts encourage kids to find more hidden objects on the pages of the book
