Meet Ebony de Sade, known primarily as Supreme Mistress Ebony to her clients. Mistress Ebony is one of the nation's most sought after dominatrix, catering to the kinky needs and fetishes of the ultra affluent. Ebony has earned a pretty penny during her five years in the lifestyle, travelling internationally to inflict her special brand of pain for a pretty penny. Then, a chance encounter in Miami brings Ebony the one thing she thought didn't exist: love. She falls fast and hard for handsome investigative reporter Julian Black and for the first time begins to reconsider her lifestyle. When Julian proposes, Ebony knows she has to make a choice and chooses a new life in Miami with the man of her dreams. But one client in particular is not happy at all that his mistress is leaving him, and will stop at nothing to prevent it. Will obsession lead to murder?
