One perfect shot will change the course of history. Christine Palmer, a young American doctor sailing solo across the Atlantic, makes an incredible discovery - a man narrowly clinging to his life in the frigid waters. But there is much more to this desperate survivor than meets the eye. David Slaton is a Kidon - a highly-trained, highly-precise, and highly-dangerous assassin. The Kidon is both the hunter and the hunted, and he and Christine are in grave danger. Will they win in this race against time? With the precision of a sharpshooter, author Ward Larsen weaves an intricate tale of espionage and

intrigue.
