From steak and ale pie to oysters and Guinness, this book has every classic recipe for using beer in the kitchen as well as some exciting new suggestions. Fiona Beckett's 101 exclusive recipes include classic beer and food matchings drawn from her extensive

knowledge as an experienced food and drinks writer. Each recipe demonstrates the surprising versatility of real ale in the kitchen. Extensive advice on beer types, beer and food matching and specific beer dinner suggestions are interspersed with beautifully photographed recipes and personal know-how, creating the perfect book for those who love the fresh, hearty flavour that a dash (or two) of beer can bring to almost any dish, even desserts! With an open mind, a bottle opener and the spontaneous creativity that comes from discovering the exciting possibilities of marrying food with ale, this is an exciting book full of surprising flavours, ingenious food combinations and delightful discovery.
