A Renaissance Fair is coming to the relatively quiet college town of Farberville Arkansas, which is not the sort of news that usually sets local bookseller Claire Malloy's heart racing. But with Claire's daughter, Caron, being the perpetually petulant teenager that she is, and her fiance, Police Lieutenant Peter Rosen, away, she finds herself drawn into the strange inner workings of the group putting on the fair. Stranger still: A Ren Fair volunteer has just been found burned in the wreckage of a rented home. Who is this woman, and why haven't any of her associates ever met her in the flesh? When the fair is set to open, tensions expose the dark secrets and malevolent schemes that lurk beneath the surface. Now, with Claire's dreams of a blissful wedding hanging in the balance, she has no choice but to fling herself into the battle and match wits with the killer...
