The first volume of the new "Classic Illustrated Deluxe" series presents graphic novelist Michel Plessix's lush adaptation of "The Wind in the Willows" by Kenneth Grahame. The artwork is in aquarelle, with thin, precise, detailed lines. In "Wind in the Willows", Plessix breathes life into Mole, Rat, and Toad (of Toad Hall) as they picnic on the riverbank, indulge in Toad's latest fad, and get lost in Wild Wood. The pacing is masterful, each panel lingers just long enough to make you appreciate the simple pleasures of life.
