English in 100 days, a complete program drawn up especially for the Spanish speakers who arrive in the United States in search of better opportunities, now with 3 Audio CDs. In this new edition with 3 audio CDs, you will find many dialogues pronounced by Americans in the United States as well as various listen-and-repeat exercises. In addition, the explanations and translations contained in the program will help guide any student through the learning process. With English in 100 days Audio CD Pack you will learn to communicate fluently with only a few minutes of study per day. The 30 units of the course will guide you through situations that we all must face and they will give you the tools to breeze through any situation.
