A must-have for horse lovers! This elaborate, novelty-rich guide to keeping horses and riders in winning form is a breed apart.

A passion for horses inspires a desire not only to ride but also to care for these splendid creatures. And now two experienced stable hands pass on their hard-won knowledge about such tasks as grooming and feeding, tacking up, and keeping equipment in top shape, along with tips on how to mount and dismount and perfect your riding posture so it seems you were born with a set of reins in your hands. Among this book's many novelty features are:

- * A lift-the-flap saddle
- * Ribbon stickers
- * Informative booklets
- * Pull-out cards
- * A certificate of achievement at the end

Truly an equine extravaganza, this insider's guide offers everything a weekend rider or aspiring horse owner would want to know.
