Software packages are complex. Software books don't need to be. Simplify your life with The Focal Easy Guide to Final Cut Pro! This concise, full-color book lives up to its name by paring down the software to its essentials. You learn the key features and essential workflow to get you up and running in no time. With this book you can start cutting immediately, whatever you edit, whatever the format. This is an ideal introduction whether you are a professional moving over to Final Cut Pro from another package or system, a new user, or just someone who wants to get the best results from Final Cut Pro, fast!
