Essential tips and advice from your very own career coach With practical advice on making contacts, self-marketing, interviewing, career strategies, and much more, the indispensable books in the new Ferguson Career Coach series are essential resources for readers looking to enter--and excel in--the workforce. Each industry-specific guidebook acts as a personal coach, helping them get their foot in the door of the featured industry and navigate their chosen career paths once in--with basic advice, industry secrets, and tips from the personal experiences of successful professionals in the field. The volumes in this new series are packed with invaluable insider tips for career success in exciting but competitive fields ranging from health care and sports to music and theater and more.
