As coeditor of the *Slash*, the Harris Elementary/Middle School paper, Adam Canfield is used to getting the story. What hea (TM)s not used to is being the story, which is just

what happens after hea (TM)s mugged by some high-school students for his snow-shoveling money. But ita (TM)s hard to keep a low profile when therea (TM)s still baritone and basketball practice, a new principal to figure out, a science fair sham to uncover, a bully survey to monitor, a three-hundred-year-old tree to save, and the next issue of the Slash to take care of. Ita (TM)s enough to drive a kid over the edge. Luckily, Adama (TM)s got Jennifer, his trusty (and cute) coeditor, to help him keep it together. But when the Slash is threatened, will they be able to get the story and keep the paper going, all without getting expelled?
