"Latin Style" is the decorating book for bringing the vibrant energy of the Latin culture into your home. Vibrant photographs and creative, original ideas provide the inspiration anyone needs to bring true Latin style to his or her own life. Whether as a source of inspiration or a defining accent, "Latin Style" will be the perfect addition to any decor. Style icon Juan Carlos Arcila-Duque defines and celebrates the four key influences of Latin style: *Paradiso* is the lush abundance of the rain forest, filled with life of every kind. *Hacienda* is the old world, brick and stone elegance of ranches and

country estates set in a rugged landscape. Cabana evokes the cool of the ocean with endless white beaches, turquoise water, and tropical fruits. Pueblo reflects the sun-drenched colors of the marketplace, folk art, colonial architecture, and quiet courtyards. "Latin Style" will feature a CD of Latin-inspired music.
