James 'Jimmy' Martin IV should never have been released from the mental institution. But thanks to incredible wealth and a devoted twin sister, that's just what happens. Once a gifted cellist who wowed audiences at Carnegie Hall, Jimmy is now confined to his Gramercy Park mansion. Surrounded by memories of his sadistic parents, the dangerous sociopath is now free to act on every dark impulse - even if it means kidnapping the beautiful Dr. Barret Conyors. When Dr. Conyors realizes she's the target of Jimmy's twisted love, it's too late. The forensic psychiatrist finds herself at the mercy of a cunning madman, his ruthless sister, and their wicked plan to produce an heir. This gripping psychological thriller takes you inside the mind of the criminally insane, as well as the compelling world of forensic psychiatry.
