Four Words: Forgotten Realms® Fourth Edition!

The Spellplague--and other things from horrifying disasters to monumental achievements--has changed the face of the Forgotten Realms world, and this series is the first to plunge fully into a bold new era for the venerable line.

The first novel to fully embrace the exciting new elements from the next edition of the Dungeons & Dragons® game, award-winning game designer and New York Times best-selling author Richard Baker's Swordmage goes where--and when--no Forgotten Realms novel has gone before.
