Have you ever looked at your bank account balance and wanted to cry? Author Marcia Brixey is here to tell you “it’s all right! All your finance woes? They can be fixed!”

The MoneyTherapist offers women of every financial strata the advice, tips, and solutions they need to get out of debt, create a budget, spend wisely, and save money. Marcia’s empowering, you-can-do-it attitude and helpful tools and resources encourage and inspire women to achieve financial fitness. With information on organizing financial records, getting out of credit card debt, safeguarding against identity theft, and taking advantage of interest through automatic deductions, The MoneyTherapist is the first step to achieving financial peace of mind.
