This series presents Clark Ashton Smith's fiction chronologically, based on composition rather than publication. Editors Scott Connors and Ron Hilger have compared original manuscripts, various typescripts, published editions, and Smith's notes and letters, in order to prepare a definitive set of texts. "The Maze of the Enchanter" includes, in chronological order, all of his stories from "The Mandrakes" (February, 1933) to "The Flower-Women" (May, 1935). This volume also features an introduction, and extensive notes on each story.
