Updated to reflect changes in the military in general and the Air Force in particular, this new edition of "Air Force Officer's Guide" contains professional materials needed for a successful career as an Air Force officer, from cadet to general, both active duty and reserves. Included are: US Air Force organisations and types of assignments; duties and responsibilities; privileges, benefits, and restrictions; customs and courtesies; career development and promotion; pay and allowances; command and leadership; uniforms and insignia; complete data on Air Force installations world-wide; and, extensive references to regulations and other information.
