There are over 10 million cancer survivors in the United States and the number is

growing as a result of better treatment, longer lives, and earlier detection. Whether you're a survivor yourself, or a loved one of a survivor, this book offers help. The only text available to provide both the doctor's and patient's views, 100 Questions & Answers About Life After Cancer: A Survivor's Guide gives you authoritative, practical answers to your questions. Written by experts in the field with "insider" advice from actual patients, this book is an invaluable resource.
