出版者:Candlewick

出版时间:2008-1

装帧:Paperback

isbn:9780763636791

Now in paperback, this deeply provocative novel reimagines the past as an eerie place

that has startling resonance for readers today.

Young Octavian is being raised by a group of rational philosophers known only by numbers -- but it is only after he opens a forbidden door that learns the hideous nature of their experiments, and his own chilling role in them. Set in Revolutionary Boston, M. T. Anderson's mesmerizing novel takes place at a time when Patriots battled to win liberty while African slaves were entreated to risk their lives for a freedom they would never claim. The first of two parts, this deeply provocative novel reimagines past as an eerie place that has startling resonance for readers today.

"Anderson's imaginative and highly intelligent exploration of . . . the ambiguous history of America's origins will leave readers impatient for the sequel." -- THE NEW YORK TIMES BOOK REVIEW
