This wonderful gift package of the Beloved book from the Old Testament contains 150 hymns, prayers of crisis and songs of faith fundamental to both Christian and Jewish liturgies. The translation comes from the King James version of the Bible, complete and unabridged. Each Psalm is accompanied on the opposite page with one of Mick Hales' exquisite photographs. In a number of instances, where the Psalm is very long, it receives more pages and pictures. The format, which is landscape and 102 X 152mm, with rounded corners, includes a ribbon and gilding on three sides. The cover is faux leather with foil stamping and an inset picture. This is a volume to treasure - small enough to carry, luxurious enough to display.
