A well-known study showed that more people put fear of public speaking at the top of their list of fears, even above the fear of death! But armed with "The Everything Public Speaking Book", readers will learn practical strategies for becoming a more polished speaker, including ideas for tailoring speeches to match any audience, using effective visual aids, and being aware of their own body language. With "The Everything Public Speaking Book", readers will gain confidence as they build the skills they need to deliver a crowd-pleasing performance.
