"Quarterback Dad" is the perfect guide for new dads; or old dads who need a refresher course. It is the first book to provide practical pregnancy and newborn advice using a

language that men can understand - football talk. With illustrations of important Playbook pages (emphasises most important features in chapter), Touch-downs (statements that bear repeating), and Fumbles (humorous things that expectant or new fathers should never do), "Quarterback Dad" will be a lifesaver for every football-loving father. It is divided into 4 major sections: Training Camp - the 9 months of pregnancy; Pre-Season - surviving the delivery room; Regular Season - the first year with your new child; and, Superbowl - celebrating all the successes of the first year.
