"Perfect Match" features over 40 stunning earring designs for all occasions, from simple dangles to sophisticated chandeliers. Each occasion includes four to five earring designs, and each design is rated for the amount of time it takes to make."Perfect Match" also features a techniques section to teach crafters all the skills they'll need to know to make any of the earrings. Helpful tips sprinkled throughout show crafters how to save time and money, or help them to perfect a technique.
