isbn:9781886230842

This revised and updated second edition features ideas from the latest research, more information on long-distance parenting, dealing with the courts, and working with a difficult co-parent. "Parents argue a lot before a divorce," says Dr. Stahl. "If they continue to argue after the divorce, their children will suffer." Stahl knows parents are not perfect, and he uses that knowledge to show imperfect parents how to settle their differences in the best interests of the children. Often required reading in court-mandated divorce education classes.
